Lesson Book Guide

Session 2: Grades 4-6 (v2)

Overview

There are 3 main lesson topics which are laid out for the school year: Fall (Relational Development), Winter (Digital Solutions) and Spring (Health & Wellness).

We suggest incorporating these activities into your designated **MASK Day** (i.e. “MASK Monday” or “MASK Mid-week”) schedule, but you are welcome to incorporate them whenever you have time in your day. Remember, these activities are not meant to add to your plate, but instead to replace other similar learning activities. Each activity was designed to meet Teaching Standards to ensure that you can embed them into your current teaching plan. Teaching Standards and ESSA (Every Student Succeeds Act) alignments are provided in the course description.

MASK+ Keys 2 Success

This digital platform is a turn key approach. The platform bookmarks where you are in program. The topics are meant to complete each week. There are optional (Extra Credit) included at the bottom of each activity.

MANDATORY pause: When you see an otter paw with a PENCIL on the screen, please pause the video to allow for student work time.

MASKMatters App

The MASKMatters app has been designed to give students, parents, and teachers tools and resources to complement all the topics MASK addresses. This information is age-appropriate and is available in Spanish. Getting quick and current information about these issues has never been easier or more convenient. Download the MASKMatters App today, and have modern-day parenting solutions right at your fingertips.

Aimee's Story (Page 2)

- ➔ This story can be found in your students' Lesson Book on *page 2*. The story is meant to be a reference for you and your students. We encourage you to refer back to this story page at the beginning of each activity to help engage your students and review the lesson.

Aimee and her group of friends loved doing the same activities. Some of her friends were going to try out for the soccer team and Aimee wasn't sure she wanted to join. Aimee's friends used **positive peer pressure** to encourage Aimee to try something new by trying out for the soccer team. During tryouts, Aimee really started to enjoy playing soccer, especially with her friends. When the tryout results were posted, Aimee learned she made the team! She was excited to be on the soccer team, but was sad to see that two of her friends didn't make the team. One day after practice, Aimee's teammates started laughing and making fun of those who didn't make the team, including Aimee's friends. Aimee felt pressured to make fun of them too. Afterwards, Aimee felt bad about making fun of the people who didn't make the team. She used **empathy** and realized that she wasn't being a good friend when she made fun of them. Instead of continuing to be a **negative peer**, she was assertive and **took a stand** for her friends. Aimee learned that by listening to what her body was telling her and standing up for herself, she was able to be a **positive peer**.
